## WELCOME ADDRESS FROM THE CHAIRMAN

Dear friends and colleagues,

On behalf of the organizing committee, I would like to invite you to participate in the International Conference on Nanoscience and Technology, China 2011 (*ChinaNANO 2011*) which will be held on September 7-9, 2011 in Beijing, China. This is the fourth conference following the successful *ChinaNANO 2005*, *ChinaNANO 2007*, and *ChinaNANO 2009* held in 2005, 2007, and 2009 in Beijing, respectively.

*ChinaNANO 2011* is intended to stimulate discussions on the forefront of research in nanoscience and nanotechnology. The conference will focus on inorganic nanomaterials and metal-organic frameworks, carbon nanomaterials, organic and polymeric nanomaterials, nanocomposites and applications, nanodevices and nanosystems, nanobiotechnology and nanomedicine, characterization and standards of nanostructures, nano-optics and plasmonics, as well as modeling and simulation of nanostructures. We sincerely hope that the scope of the conference will serve the interest of the scientific community, as well as the industry and the general public. I wish to extend my welcome to all participants and sponsors of the event.

Looking forward to meeting you in Beijing in 2011.
