

RESEARCH ACADEMY RUHR

THE UNIQUE CROSS-UNIVERSITY PLATFORM FOR EMERGING RESEARCH SCHOLARS

A STRONG NETWORK FOR YOUR RESEARCH CAREER

SUPPORT FOR DOCTORAL AND POSTDOCTORAL RESEARCHERS

Welcome to **the Ruhr**—Germany's largest metropolitan area where innovative research meets strong networks! Ruhr-Universität Bochum, TU Dortmund University, and the University of Duisburg-Essen have been working closely together in the **University Alliance Ruhr** for over ten years.

Benefit from a unique scientific **diversity**: 49 faculties and a multitude of common research **profiles** and inter-university research **projects**, vibrant and international research **communities** as well as an excellent professional research environment.

We have joined forces in the **Research Academy Ruhr** to offer you even more: We organize **network** events, actively promote the **inter-disciplinary** and **international** experience exchange, and support the **development** of your academic competence profile.

Research Academy Ruhr—we support your career in research, business, and society.
